DEALER AGREEMENT

This Dealer Agreement (hereafter "Agreement") entered into this _____ day of _____, _____, by and between A.U.L. Corp., Wisconsin A.U.L., Inc., and AUL Insurance Agency, Inc. (hereinafter collectively referred to as "Administrator") and _____

(hereinafter referred to as "Dealer") with respect to the following:

WHEREAS, Administrator has established and administers a Vehicle Service Contract Program (hereinafter referred to as the "Program"), pursuant to which certain Vehicle Service Contract(s) (hereinafter referred to as "Contract(s)") are to be sold by Dealer on all eligible vehicles;

WHEREAS, Dealer wishes to act as an independent agent for Administrator pursuant to the terms of this Agreement;

WHEREAS, Dealer, pursuant to the terms set forth herein, agrees to remit to Administrator a contract cost (hereafter referred to as "Contract Cost") as set forth in the Dealer Net Price Schedule; and

WHEREAS, Dealer agrees to perform the requirements set forth herein and in the Contracts in furtherance of the Program.

NOW THEREFORE, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

I. INDEPENDENT AGENT

Administrator retains Dealer as an independent agent to sell Contracts issued pursuant to the Program and Dealer agrees to act as an independent agent pursuant to the terms set forth herein. Nothing in this Agreement shall be construed as creating a relationship of partners, joint ventures, employer or agent and employee for any purpose whatsoever between Dealer and Administrator.

II. COMMISSIONS

In consideration of the services rendered by Dealer, Administrator agrees to pay Dealer a commission equal to the retail price of the Contract less the Contract Cost, as set forth in the Dealer Net Price Schedule. Dealer may retain its commissions from each sale before remitting the Contract Cost to Administrator. Commissions shall be payable only one time per Contract.

III. DEALER OBLIGATIONS

Dealer:

- A. Agrees to offer Contracts to its retail customers only (hereinafter referred to as "Purchasers") on all eligible vehicles during the term of this Agreement.
- B. Agrees to follow the underwriting and claims guidelines (hereafter referred as the "Guidelines"), issued by Administrator from time to time on forms supplied by Administrator. Such Guidelines will determine which vehicles are eligible for use in the Program. Any violation of the Guidelines by Dealer will result in the denial of coverage for the ineligible vehicle. Dealer shall be solely responsible for any consequences arising from the denied coverage.
- C. Agrees to transmit monthly to Administrator on forms supplied by Administrator, transmittal forms, completed applications, and appropriate monies which are due Administrator. Failure to submit the above to Administrator within thirty (30) days of the Contract application's inception date may result in denial of coverage. Dealer shall be solely responsible for any consequences arising from the denied coverage.
- D. Agrees that eligible vehicles include only those vehicles that qualify per the Guidelines and are in sound mechanical condition at time of sale. Dealer further agrees that any preexisting condition(s), as determined by Administrator, are the sole responsibility of Dealer and are not covered under the Program. Dealer agrees, when necessary, to change engine oil and oil filter and replenish all fluid levels prior to delivering a covered vehicle to a Purchaser. Any misrepresentation or concealment of a material fact by Dealer for the purpose of securing a Contract shall constitute a material breach of this Agreement.
- E. Agrees to refund to any lender which has financed the purchase price of any Contract (hereafter referred to as "Lender"), Dealer's retained portion of the charge financed by Lender, on a prorated basis in the amount calculated by Administrator, in the event of a cancellation of a Contract at Lender's request due to a total loss or repossession of the vehicle covered under the Contract or default by the Purchaser in repayment obligations to the Lender. In the event the Contract was not financed, Dealer agrees to return to the Purchaser the Dealer's retained portion of the total charge for the Contract in the amount calculated by Administrator pursuant to the terms of the Contract.
- F. Agrees to contact the Administrator for prior approval before servicing any mechanical failure covered under any Contract.
- G. Agrees to retain all records relating to the Contracts sold by Dealer under this Agreement until one (1) year following the expiration of such Contracts for the purpose of review and audit by Administrator. Dealer further agrees to permit Administrator or its authorized representatives to enter Dealer's place of business to inspect and examine these records during normal business hours and upon reasonable notice.
- H. Acknowledges and agrees that during the performance of its duties under this Agreement, Administrator may disclose to Dealer certain confidential and proprietary information concerning the Program, including without limitation,

administrative, agent, and insurance fees, reserve amounts, and other information which would impart a competitive advantage to others in this industry who do not know it (hereafter referred to as "Confidential Information"). Dealer agrees to hold all such Confidential Information in confidence, and to refrain from disclosing it to any third parties without the prior consent of Administrator. Dealer also agrees to refrain from using the Confidential Information for any purpose outside of the performance of its duties under this Agreement. Dealer's obligation to protect the Confidential Information, and to refrain from using it for any purpose outside of the performance of its duties under this Agreement, shall survive the termination of this Agreement. Dealer acknowledges and agrees that any disclosure or misappropriation of any of the Confidential Information in violation of this Agreement may cause Administrator irreparable harm, the amount of which may be difficult to ascertain, and therefore agrees that Administrator shall have the right to apply to a court of competent jurisdiction for specific performance and/or an order restraining and enjoining any such further disclosure or breach. Dealer expressly waives the defense that a remedy in damages will be adequate, and any requirement in such an action for the posting of a bond by Administrator.

- I. Agrees to certify that all eligible vehicles sold with a Contract have been inspected and reconditioned BEFORE delivery. Failures occurring in the first thirty (30) days of coverage may, at the Administrator's discretion, require a copy of your reconditioning repair orders for claims consideration. Denied claims shall be the sole responsibility of Dealer. Reconditioning includes, but is not limited to, the following:
 1. Engine Oil – Inspect and change oil and filter if needed.
 2. Automatic Transmission – Check shift pattern and inspect the fluid. Change fluid and service if needed.
 3. Correct any malfunction before delivery.
- J. Dealer agrees to perform and/or ensure that its representatives perform the following procedures for each Contract sold, whether the Contract is in print or in electronic form, in connection with its remittal of such Contracts to Administrator: (i) print a paper copy of the Contract sold and obtain the Purchaser's ink signature on the printed Contract, (ii) provide to the Purchaser a paper copy of the signed Contract and all disclosures that must be made in connection with the sale of the Contract at the time of sale, (iii) obtain and document the Purchaser's informed consent to the terms of the Contract and related documents, (iv) retain for the purpose of review and audit by Administrator the original ink-signed Contract, documentation of Dealer having obtained the Purchaser's informed consent to the terms of the Contract, and all related records created under this Agreement for one (1) year following the expiration of such Contract, and (v) permit Administrator or its authorized representative to enter Dealer's place of business to inspect and examine these records during normal business hours and upon reasonable notice.
- K. Dealer represents and warrants that it is properly licensed and authorized to perform its obligations under this Agreement, and agrees that it shall comply with all federal, state, and local laws and regulations applicable to such performance, including, without limitation, all laws and regulations regarding deceptive sales and marketing practices, and data privacy. Dealers doing business in the State of California agree to comply with the Safe Drinking Water and Toxic Enforcement Act of 1986, as amended (known as Proposition 65).

IV. ADMINISTRATOR OBLIGATIONS
