UPDATE ON FUNDCARS PARTNERSHIP

NEW REFERRAL PROGRAMS

EMPLOYEE OF THE MONTH

DO YOU HAVE ENOUGH LENDERS?

by Joshua Holland

We announced our partnership with FundCars almost 6 months ago now and the results have been great! We have dozens of active lenders and over 100 dealers testing the partnership in California.

Both the lender partners and the dealer partners have had great success thus far and the projections are awesome!

We are planning on opening up the partnership to our customers in major metropolitan regions across the country later this year! This means that more of you will have the ability to secure funding directly through your DealerClick DMS software.

New Partner Referral Program

We would like to announce the start of a new referral program for our partner dealers. When you refer someone who purchases a DMS Subscription you will receive a coupon code for 10% off your next 3 payments! There is no limit to the number of referrals you can accrue!
